CSSC Mercier

My culture, my language, my bilingualism

Innovative and customized, this modern 21st century school offers a top-quality French First Language education and a diploma in Canada's two official languages.

From the heart of its campus in Riverdale, its location allows access to superb natural areas as well as numerous facilities. The added benefits of CSSC Mercier and its shared spaces result in abundant partnership

opportunities which promote the development of our students' cultural identity as well as the vitality of our community.

"...more opportunities for travel and more post-secondary support. A bilingual diploma offers opportunities that others might not have!"
— Anna Tölgyesi, graduate..

Respect

"Our bilingual children are a benefit to the Yukon Francophone community. We need to train the future leaders of our community!"
— Jean-Paul Molgat, students' parent
